## What's Been Up?(Final)

**LYNDA AND PARKER LUMPKIN:** We have been doing a lot of fishing and crabbing, whether pond fishing in Louisburg or fishing at the beach. We have really enjoyed it. We had 11 of those big red drum on and boated six...Parker 3 and Lynda 3. What fun! Looking forward to some sense of normalcy!

**BILL AND PATTY JONES:** Time has been spent cleaning out cabinets and other spaces and touch up painting. The best find was an afghan I started crocheting in the late 70's and it's about two-thirds done. The goal is to get it done before fall. The irony in this is the extra yarn has TG&Y stickers.

**SUSAN PEOPLES:** I have been very busy as Baptist on Mission Covid 19 Coordinator. It is great to be busy doing God's work whether for BOM or LBC! I did get to spend the week of July 4 with Jonathan and we stayed 2 nights on Ocracoke Island! It was so uplifting to see more businesses open and some people back in their homes. I also gained a new family member during Covid, Toliver. I still have not been able to hug him, but have had some porch visits with him and other family members. I am cooking more than ever as I only trust Johnny's BBQ every once in awhile! Miss y'all! Stay Strong! God has this!!!

### A SPECIAL BIRTHDAY SURPRISE AND THANK-YOU

On Thursday, September 3, LBC members had a drive by surprise party for Kelly Howell's 90th birthday! Kelly had this to say about the surprise: **"Tell everybody that they made my day by having an auto procession for my 90th birthday. It was surprising, exciting and something I will remember as long as I have a memory. I have never been part of such a loving caring church in the 15 Southern Baptist churches to which I have belonged.."**

Pastor Tony

“And Jesus said to them, ‘Follow me, and I will make you fishers of men.’ Immediately they left their nets and followed him.”

On Saturday, September 26th, our church will host the “Louisburg Baptist Church on Mission (to the “Louisburg” conference. Dennis Conner, Strategy Coordinator with the Baptist State Convention of North Carolina, will lead our discussions. You will enjoy and appreciate Dennis for his wit and wisdom. Please plan on coming as LBC’s mission is dear to all of us. Jesus has called us to be fishers of men. We have a boat, a fishing boat, let’s call it Louisburg Baptist Church. We’ve been commissioned by Christ to reach Louisburg for his kingdom. Alongside our boat there are other boats that we want to cooperate with and, in the future, there will be a need to build new boats. For this conference we’re gonna focus first on our boat and our boat’s work in our community. Please plan on attending and bring a bag lunch. There will be two sessions with lunch in between. ‘Cause if you’re going fishing you have to bring lunch’.
